
Join us!

*We work to invite, build, and grow
business and tourism in the
Clayton, Loon Lake, Springdale,
and Valley communities in southern
Stevens County, WA.*

Membership has its benefits...

- News, networking, and speakers related to our area
- Website and social media features and advertising
- Vote on Chamber matters to help guide focus and goals
- Emailed agendas and minutes; even if you can't attend, you'll be informed!
- Inspiration on what is "working" for other local businesses
- Workshops and monthly newsletters to build your brand, focusing on marketing and best business practices
- Chamber members get preferential treatment in regards to area inquiries, county collaborations, and Chamber collaborations

What is a chamber?

Chambers are not banks or government organizations; we are a not-for-profit organization. Our commitment is to the communities and people that we live alongside by supporting the local businesses.

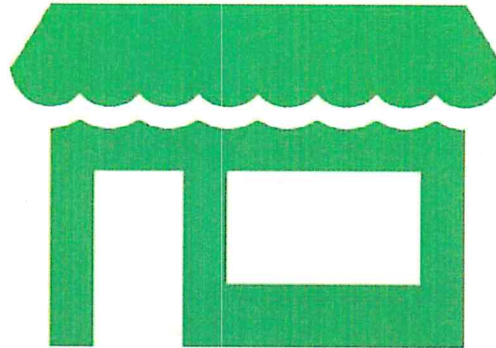

Chambers are a great resource for networking, collaborating, and workshopping. We aim to provide speakers, workshops, and events that support business and tourism in our area.

Who can join?

Any business, organization, or person who believes that a vibrant business community is the foundation of a strong place in which to work and live – specifically, in the Clayton, Loon Lake, Springdale, and Valley areas.

What is the cost?

GSLLCOC meets on the first Thursday of the month at the Springdale Fire Station, located at 52 Aspen in Springdale, at 11 AM. Annual dues of \$30 are billed in January.

**We are glad
you are here.**

Stevens County is a unique area of Washington. Over 60% of the businesses are home based. The GSLLCOC believes this can mean a business or organization can feel isolated, frustrated, and overwhelmed. We work to grow a supportive network, fostering best practices, connecting like-minded individuals, and connecting outlying communities with opportunities to thrive! Visit a meeting or email us at gslcoc@gmail.com to get started.

...but I'm a home based business...

We support ALL businesses in our area – that may mean an Etsy shop, a direct sales company, or a brick and mortar store front! Becoming a member of Chamber gives access to a wide variety of experience to further your reach!

I want to do more...

Be on our Board of Directors and help shape the business goals for our areas!

- President
- Vice President
- Secretary
- Treasurer
- (4) Area Ambassadors representing Clayton, Loon Lake, Springdale, and Valley
